

DIRECTIONS TO THE HONORABLE SOCIETY OF KING'S INNS

Enter the grounds of King's Inns from **CONSTITUTION HILL** (having passed the old Motor Tax Office, if coming from the quays). Check in with security in the hut, or park your car in any available space. Walk towards the Main Building. If going to the Dining Hall, pass the archway. If going to the Library Building, go through the archway/courtyard. The Library Building is the first building on the right as you enter Henrietta Street.

If you approach King's Inns from **HENRIETTA STREET**, the Library Building is the last building (granite façade) in the street, on the left-hand side. By walking through the archway/courtyard and turning to the right (on emerging from the courtyard), you will arrive at the Dining Hall/Main Building. The Dining Hall can only be approached from Henrietta Street during office hours.
